# OVERVIEW OF BENEFITS

ELIGIBILITY  
BENEFIT TERM  
QUALIFYING EVENTS

## ELIGIBILITY

Employees must work a minimum of 30 hours per week in order to be eligible for the plans. Employees are eligible after 60 days. Terminations due to termination of employment are effective as of employees' last day worked. You can elect medical, dental, and vision coverage for your spouse and dependent/adult children up to 26 years old. Your employer reserves the right to request proof of marriage and birth certificates in order to add dependents.

## WHEN COVERAGE BEGINS AND ENDS

Your benefits become effective the 1st of the month following 60 days of hire provided you've submitted a completed enrollment with a benefit counselor within 30 days of your benefits effective date. Any applicable waiting periods or additional exceptions are covered under each benefit description.

Your coverage under the benefits plans will end the date on your last day worked, the day you no longer meet the plan's eligibility requirements, your contributions are discontinued, or the Group Insurance Policy is terminated.

## QUALIFYING EVENTS

Eligible employees may enroll or make changes to their benefits elections during the annual open enrollment period. As with most benefits, once you elect an option you are bound to that choice for the entire plan year unless you experience a "Qualifying Event".

These may include, but not limited to: Changes in employment status, legal marital status or number of dependents, taking an unpaid leave of absence, Dependent satisfies or ceases to satisfy eligibility requirement, a COBRA-qualifying event, Entitlement to Medicare or Medicaid, or a change in the place of residence of the employee, resulting in the current carrier not being available.

## THINGS TO CONSIDER

Consider your personal situation and the difference between the plan options and their costs when making your decision. You may also elect to waive coverage.

Ask yourself the following questions

- Will your current doctor be in or out-of-network?
- Do you have any planned surgeries this year?
- How many family members will you cover?
- How often do you visit the doctor?
- Are you planning to have a baby this year?

By reading this guide cover to cover, you will become familiar with your benefits options. After enrolling, verify that your payroll deductions are correct. If not, please contact your payroll representative.

# Claim Watcher BENEFIT

**UHP**  
ADMINISTRATORS

## Priority Care Staffing Employees,

This document provides helpful information concerning accessing and using your health benefits.

Your health plan is an Open Access arrangement which allows members access to any provider **regardless** of network participation. The plan separates claims & providers into three categories: Professional Claims, Facility Claims, & Pharmacy Claims

### Professional Claims

1. Providers: The following providers fall under this category: Primary Care Doctor, OB/GYN, Specialist, & Chiropractor
2. Network Access: MultiPlan® Private Health Care Systems (PHCS) Practitioner and Ancillary Network will be the Preferred Provider Organization (PPO) for all “professional claims”. This does not apply to facility-based claims such as Freestanding facilities or Hospitals. Members can search providers in the MultiPlan® PHCS network via:  
Website: <https://www.multiplan.com/webcenter/portal/ProviderSearch>.
  - Click on the “For Health Plan Members” button
  - Select “Find a Provider”
  - Select “PHCS” and then Select “Physician and Ancillary” network
  - Follow the prompts to enter your search criteria

Phone: Call the Benefit Customer Service number **877-952-7427** located on your Medical ID Card or call **866-930-7427**.

3. Non-Network Providers: The plan also allows access to non-network providers. If your provider does not participate in MultiPlan® PHCS Physician and Ancillary network, the plan will still reimburse the provider for covered services and the member will only be obligated to pay the applicable co-pay. In this situation, contact UHP Administrators at 855-375-7125 to make payment arrangements with the provider. Members are only responsible to pay all cost sharing as outlined in benefit summary. This includes any applicable co-pay, deductible or co-insurance. Refer to your Explanation of Benefits (EOB) for payment due.

### Facility Claims

1. Providers: The following providers fall under the category of Facility Claims, Hospital: Inpatient and Outpatient Services, Freestanding Ambulatory Surgery Centers, Emergency Room, & Urgent Care Centers.
2. Network / Non-Network Providers: There is NO specific network associated with Facility Claims. The plan will reimburse any provider for covered services and the member will only be held responsible for applicable cost sharing amounts (i.e. co-pay or deductible and co-insurance).  
**If the provider refuses to accept this insurance or has questions regarding the insurance, please call UHP Administrators Customer Service 855-375-7125 and plan information will be verified to the provider. Additionally, providers can call UHP Administrators Customer Service to address reimbursement questions on claims.**

### Pharmacy Claims

The Pharmacy benefits are managed through MedTipster

**Any questions concerning Rx eligibility or benefits, please call MedTipster Customer Service line – 877-226-2378.**

Please provide the plan information and member ID (which appears on ID card) to verify eligibility.

The plan will reimburse providers for covered services. The member is still responsible for applicable co-pays, deductible and co-insurance as described in the benefit summary. Under the plan, the member will have NO obligation to any balance billing arising from covered services. Should the member receive a balance bill, please contact **Claim Watcher Customer Service at 844-307-6755**. You will be asked to forward a copy of the balance bill to Claim Watcher. The team at Claim Watcher will take over handling the balance billing so that the provider is properly reimbursed, and member will not receive further correspondence from the provider as long as they have promptly paid their required co-pays, deductibles and co-insurance as outlined in the benefit summary.

**How to File a Claim:** All claims, network or non-network, should be submitted to the address on back of ID card:

**UHP Management  
P.O. Box 190394  
Brooklyn, NY 11219**

# DENTAL BENEFITS

In addition to protecting your smile, dental insurance helps pay for dental care and usually includes regular checkups, cleanings and X-rays. Several studies suggest that oral diseases, such as periodontitis (gum disease), can affect other areas of your body—including your heart. Receiving regular dental care can protect you and your family from the high cost of dental disease and surgery.

## ACCOUNTABILITY ACT OF 1996 (HIPAA)

The Health Insurance Portability and Accountability Act of 1996 addresses how an employer can enforce eligibility and enrollment for health care benefits, as well as ensuring that protected health information which identifies you is kept private. You have a right to inspect copy-protected health information that is maintained by and for the plan for enrollment, payment, claims and case management. If you feel that protected health information about you is incorrect or incomplete, you may ask your benefits administrator to amend the information. For a full copy of the Notice of Privacy Practices, describing how protected health information about you may be used and disclosed and how you get access to the information, contact Human Resources.

The HIPAA Privacy Rule was effective beginning April 14, 2003. The Privacy Rule is intended to safeguard protected health information (PHI). The provisions of the Privacy Rule have a significant impact on those who deal with health information and on all citizens about their personal PHI. Our health insurance broker and all our contracted plans adhere to the HIPAA Privacy Rule.

## MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you're eligible for health coverage from your employer, but can't afford the premiums, some states have premium-assistance programs that can help pay for coverage with funds from their Medicaid or CHIP programs. If you or your dependents are already enrolled in Medicaid or CHIP, contact your state Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP, once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, the employer's health plan is required to permit you and your dependents to enroll in the plan - if you and your dependents are eligible, and not already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

## CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1985

The right to COBRA continuation coverage was created by federal law, so that you and your covered dependents may continue your employer-sponsored benefits coverage at full costs (plus an administrative fee). After a qualifying event, COBRA continuation coverage must be offered to each qualified beneficiary. You, your spouse and your dependent children could become qualified beneficiaries if coverage under the Plan is lost as a result of a qualifying event. If you're an employee, you'll become a qualified beneficiary if you lose your coverage for either of these reasons:

- Your hours of employment are reduced
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse/ dependent of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan for any of these reasons:

- Your spouse/parent dies
- Your spouse/parent's hours of employment is reduced
- Your spouse/parent's employment ends for reasons other than his or her gross misconduct
- Your spouse/parent is retired and becomes entitled to Medicare benefits
- You are divorced or legally separated from your spouse
- Child is no longer eligible for coverage under the Plan as a dependent child.

The period for which coverage may continue will depend on the qualifying event. When the event is death of the employee, entitlement to Medicare benefits, divorce or separation, or child's loss of dependent eligibility, COBRA continuation coverage remains in effect for up to 36 months. With some exceptions, when the qualifying event is the end of employment or reduction in hours, COBRA continuation generally lasts for only up to 18 months.
