
The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [insert contact information]. Important Questions	Answers	Why This Matters:
What is the overall deductible?	network and out-of-network providers: $1,000 Individual / $2,000 Family Benefit Period: Per Plan year.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meet the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care , Prescription Drug and Physician services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	network and out-of-network providers: $7,000 individual / $14,000 family;	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, penalties for failure to obtain Preauthorization, ,and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	No. It is an open access plan. However, the plan does provide a physician network through the MultiPlan PHCS Practitioner and Ancillary Network. A list of network providers can be found at www.multiplan.com or call 1-888.342.7427.	This plan is an open access plan
Do you need a referral to see a specialist?	No	You can see a specialist you choose without a referral
